MY HIGH SCHOOL COURSE OF STUDY PLANNING GUIDE Name: _____

Your selection of courses in the curriculum areas of English, Science and Math will be evaluated by the teachers and counselors to insure that you will be challenged in these areas. Remember, you are required to be in seven classes each semester during the 9th and 10th grades; 11th and 12th grade students may register for six classes each semester. *Be sure to review the graduation requirements as you plan.*

9th Grade: 1st Semester	***9th Grade: 2nd Semester***
10th Grade: 1st Semester	***10th Grade: 2nd Semester***
11th Grade: 1st Semester	***11th Grade: 2nd Semester***
12th Grade: 1st Semester	***12th Grade: 2nd Semester***

50 Semester Credits are required to graduate from Webster City High School. 30 of these credits are the required classes listed here for you. The other credits are elective courses of your choice.

REMEMBER…

During grades 9, 10, 11 and 12, you will need to complete at least:
8 semesters of English, including English 9, English 10, and English 11;

6 semesters of Math;

6 semesters of Science, including General Science (2 semesters) and 4 other semesters with at least one class from Pool A and one from Pool B.

& 6 semesters of Social Studies, including US History, World Studies, Economics, and Government;

During grades 9, 10, 11 and 12, you will need to take one Physical education course each year.

For the Class of 2011 there are the additional graduation requirements of General Health and Microcomputer Skills.
